

NOTICE

Sub : Candidates with plus two qualification – Giving option for Integrated M Sc programmes – Regarding

The University has started 4 new Integrated M Sc Programs (5 year) in Physics, Chemistry, Mathematics and Statistics from the year 2018. Candidates who have passed/expected to pass +2 level of examination or equivalent with at least three of the four subjects (Biology, Chemistry, Mathematics, Physics) as their optional subjects with a minimum of 75% at +2 level are eligible to apply. The test for the programme is the same as that for B Tech programs (code 101). Eligible candidates who have not opted for the Integrated M Sc programmes during application process but are desirous of applying for the same may send a request via email to cusathelpdesk@gmail.com on or before 16/03/18.
